helps prevent burn-in, extending the panel’s lifespan.

Official Monitor and PC Partner

MSI is the Official Monitor and PC Partner of World of Warcraft: Midnight and Diablo IV: Lord of Hatred. Dominate every realm with breathtaking visuals and unstoppable performance. Gear up with an MSI monitor and PC, and bring your epic battles to life.

MSI's mainstream MAG series epitomizes stability and durability and is built to withstand the most intense gaming sessions. The entire lineup features robust construction with metallic-like hardness and excellent heat dissipation, ensuring stability for all critical gaming components.

Smarter 24-Hour OLED Refresh

Protection Without Disruption

The panel refresh cycle has been extended from 16 to 24 hours, reducing interruptions during gameplay or work. Users will only see a reminder 30 minutes before the refresh, ensuring minimal disruption. The refresh still activates automatically when the monitor enters standby or powers off, maintaining full OLED protection without compromising your experience.

Confidence Guaranteed

MSI OLED monitors are designed for long-lasting, breathtaking visuals. The custom heatsink design and advanced graphene film improve heat dissipation, while dedicated software to reduce the chances of burn-in over time.
