iiyama T2455MSC-B2 touch control panel 60.5 cm (23.8") 1920 x 1080 pixels

Model: T2455MSC-B2

Manufacturer: IIYAMA

EAN: 4948570127283

Product Code: 1062417

R8,142

The ProLite T2455MSC combines precise touch performance with a smart, space-saving design created for modern workstyles. Its unique foldable stand allows the monitor to lay completely flat when closed, with no visible support behind it. This makes it easy to move, store, or transport whenever the screen is not in use, perfect for flexible workspaces, shared desks, events, or on-the-go presentations. The Full HD (1920×1080) IPS panel delivers vivid colours and wide viewing angles. Featuring intuitive 10-point touch technology (Optical Bonded PCAP), which ensures smooth and precise touch response and low light reflection. In addition, the display is protected from moisture and potential condensation development. A special nano coating reduces friction during touch gestures and helps prevent fingerprints, dust, and static buildup, keeping the screen clean and comfortable to use throughout the day. With an integrated webcam, microphone and speakers, the T2455MSC also serves as a complete communication hub for video meetings and collaboration. The
