GB LPDDR5X RAM provides exceptional memory performance, making it suitable for intensive tasks such as graphic design and data analysis. Dolby Atmos audio and a dual-array microphone enhance communication, providing clear sound for calls and presentations. Security features such as a built-in fingerprint reader and a privacy shutter on the 5 MP webcam keep user data safe. The device is compliant with EPEAT Gold and ENERGY STAR certifications, reflecting its eco-friendly design. Coupled with Wi-Fi 7 capabilities and Intel AI Boost functionalities, the Lenovo ThinkPad P14s Gen 7 provides an effective platform for innovation and productivity in various work environments.
