

SANDISK Optimus 5100 NVMe SSD 2TB

Model: SDSP51200TAN-000E0

Manufacturer: SANDISK

EAN: 619659232283

Product Code: 1063518

R9,130

The SanDisk Optimus 5100 offers a powerful internal hard drive solution with impressive specifications designed to meet high-performance demands. With a capacity of 2 TB, it provides ample storage for users seeking efficiency and speed. Utilizing a PCI Express 4.0 x4 interface, this solid-state drive ensures rapid data transfer rates of up to 7100 MBps for read and 6700 MBps for write operations, making it suitable for intensive applications and multitasking environments. Equipped with 3D quad-level cell (QLC) NAND flash memory and features such as nCache 4.0 technology and Host Memory Buffer (HMB), this drive optimizes both performance and reliability. Its endurance rating of 900 TB, coupled with extensive temperature and shock tolerance specifications, ensures durability in diverse operating conditions, whether in extreme temperatures or through physical impact.
