Kensington K63727ES

Model: K63727ES

Manufacturer: KENSINGTON

EAN: 5028252640091

Product Code: 1063527

R834

Designed with sustainability in mind, the KB100 EQ Wired Full Size Keyboard is a reliable, value-for-money solution ideal for large office deployments. Made using 50% post-consumer recycled (PCR) material in the outer case and keycaps, the KB100 EQ Wired Full Size Keyboard features a spill-proof design. Its sealed membrane resists coffee, water, and other liquids and protects the keyboard electronics from unexpected mishaps. Supporting comfort and productivity, the KB100 EQ Wired Full Size Keyboard is also an ideal choice for the touch typist. It offers an ISO full-size layout with responsive tactile keys for all-day comfort, and a numeric keypad to support productivity. The USB-A connection provides a convenient and reliable wired experience, and the sleek and slim profile saves valuable desktop space while complementing a modern workspace.

Sustainability Focused

Aimed at reducing our environmental impact, the outer case and keycaps are composed of 50% post-consumer recycled content (PCR).
