HP EliteBoard G1a AMD Ryzen AI 5 PRO 340 16GB DDR5 512GB SSD W11P 3YW

Model: DM7P0ET#ABB

Manufacturer: HP INC.

EAN: 826581274032

Product Code: 1063694

R70,448

The HP EliteBoard G1a Next Gen AI PC combines powerful performance and smart design to enhance productivity in any workspace. Powered by an AMD Ryzen AI 5 PRO processor with 6 cores and a max turbo speed of 4.8 GHz, this desktop is designed to handle multitasking and demanding applications efficiently. With a dual-channel speaker system from Poly Studio, users can enjoy clear audio for video calls or media playback. The compact small form factor chassis makes it a perfect fit for any desk, allowing for easy integration into various work environments.

Additionally, the HP EliteBoard G1a features 16 MB of L3 cache memory and DDR5 RAM, ensuring smooth performance and rapid data access. With a single M.2 SSD, data storage is fast and reliable, backed by NVM Express (NVMe) technology. Wireless connectivity options, including MediaTek Wi-Fi 7 and Bluetooth 6.0, facilitate seamless network access. The security features, such as a chassis intrusion sensor and Trusted Platform Module (TPM 2.0), provide peace of mind for sensitive data.
