SANDISK Optimus GX PRO 8100 PCIe 5.0 NVMe SSD 2TB

Model: SDSP82200TAN-000E0

Manufacturer: SANDISK

EAN: 619659230982

Product Code: 1063724

R13,900

The SanDisk Optimus GX PRO 8100 is a high-capacity internal hard drive designed for demanding applications. With a storage capacity of 2 TB and internal data rates of up to 14,900 MBps for reading and 14,000 MBps for writing, it ensures swift data transfers to meet various needs. Featuring technologies such as nCache 4.0 and Sandisk BiCS TLC 3D CBA NAND, this solid-state drive delivers both performance and reliability.

Built to withstand extreme conditions, the GX PRO 8100 operates in temperatures ranging from 0°C to 85°C and can be stored in environments as cold as -40°C. Its robust design includes a shock tolerance of up to 5 g and a vibration frequency range between 10-2000 Hz, making it suitable for use in challenging settings. Equipped with TCG Opal Encryption 2.02 for added security and a mean time between failures (MTBF) of 175,000,000 hours, this drive is dependable and powerful.
