

SANDISK

Optimus GX PRO

8100 PCIe 5.0

NVMe SSD 8TB

Model: SDSP82800TAN-000E0

Manufacturer: SANDISK

EAN: 619659230968

Product Code: 1063725

R51,904

The SanDisk Optimus GX PRO 8100 is designed for those who demand high-performance storage solutions. With a capacity of 8 TB, this internal hard drive is equipped to handle extensive data needs, whether for gaming, streaming, or enterprise-level tasks. Featuring PCI Express 5.0 x4 (NVMe) storage interface, it offers internal data rates of 14,900 MBps for reads and 13,200 MBps for writes, making it a suitable choice for users who require speed and efficiency in data retrieval and storage.

Designed with durability in mind, the GX PRO 8100 incorporates Sandisk BiCS TLC 3D CBA NAND technology and nCache 4.0 technology. This allows for optimized performance with a 4 KB random read rate of 2,200,000 IOPS and a random write rate of 2,400,000 IOPS. The SSD endurance of 4,800 TB ensures longevity and reliability for even the most intensive applications, while robust encryption capabilities safeguard your data against unauthorized access.
