SANDISK Optimus GX PRO 850X NVMe SSD 2TB

Model: SDSP81200TAN-000E0

Manufacturer: SANDISK

EAN: 619659231965

Product Code: 1063729

R13,422

Experience performance with the SanDisk Optimus GX PRO 850X internal hard drive. This M.2 2280 S3-M formatted solid-state drive features a storage capacity of 2 TB, utilizing 3D triple-level cell (TLC) NAND flash memory to ensure high speed and efficient data management. With an internal data rate of 7300 MBps for read operations and 6600 MBps for write tasks, users can enjoy rapid file transfers and seamless multitasking. Designed for durability, this SSD supports PCI Express 4.0 x4 (NVMe) interface and boasts an endurance of 1200 TB, making it a reliable choice for demanding applications and extensive storage needs. Built to withstand diverse environmental conditions, the GX PRO 850X operates in temperatures ranging from 0°C to 85°C, ensuring stability and performance. This solid-state drive is compliant with several standards, including TCG Opal Encryption for hardware-level data security. With its shock and vibration tolerance, it is designed to endure rigorous usage scenarios while offering the speed and reliability needed for both professional and personal data storage requirements.
