

SANDISK Optimus GX PRO 850X NVMe SSD 8TB

Model: SDSP81800TAN-000E0

Manufacturer: SANDISK

EAN: 619659231941

Product Code: 1063731

R48,365

The SanDisk Optimus GX PRO 850X is an internal solid-state drive designed to enhance computing speed and efficiency. With a capacity of 8 TB, this M.2 2280 D5-M form factor SSD utilizes PCI Express 4.0 x4 (NVMe) for rapid data transfer rates of up to 7200 MBps. Equipped with 3D triple-level cell (TLC) NAND flash memory, users can expect reliable performance and durability, making it suitable for a range of applications from gaming to professional workloads.

The GX PRO 850X excels in speed and endurance, offering a lifespan of up to 4800 TB written. With features such as nCache 4.0 technology and TCG Opal Encryption 2.01, this SSD ensures data security while delivering high input/output operations per second (IOPS) of up to 1,200,000 for both random read and write tasks. Additionally, it can operate under a wide temperature range, making it a versatile choice for various environments.
