Model: NPF-0783

Manufacturer: NATEC

EAN: 5901969402933

Product Code: 1063820

R750

The Natec Marmot mouse pad with wrist pillow offers a solution for those who seek comfort and functionality during computer use. Featuring a gel-filled wrist rest, it provides support and helps reduce strain during long hours of work or gaming. The surface is made of durable fabric, providing a smooth gliding experience for the mouse, while the non-slip rubber base ensures stability on any desk surface. This combination of materials and features makes the Marmot a practical addition to any workspace, enhancing productivity and comfort.
