NATEC mouse Toucan optical wireless pink-white

Model: NMY-1652

Manufacturer: NATEC

EAN: 5901969426229

Product Code: 1063828

R656

The Natec Toucan is a versatile wireless mouse designed for convenience and performance. With a 2.4 GHz wireless connection, users can enjoy a seamless experience with a maximum operating distance of 10 m. The mouse features optical movement detection technology with a resolution of 1600 DPI, allowing for smooth and precise navigation. Three buttons provide functionality tailored to everyday tasks, ensuring efficiency whether working or gaming. The Natec Toucan emphasizes user comfort with its rubberized scroll wheel, making scrolling easy and less strenuous over extended usage. For added convenience, it includes on-the-fly DPI switching, enabling quick adjustments without pausing work. Additionally, the automatic power-saving features, such as the automatic sleep function and power off, enhance battery life, ensuring the mouse stays ready for action when needed. The compact nano USB wireless receiver can be conveniently stored when not in use, making it easy to carry for on-the-go tasks.
