NATEC Wireless mouse Stork 1600DPI black

Model: NMY-2000

Manufacturer: NATEC

EAN: 5901969437959

Product Code: 1063842

R657

The Natec STORK mouse combines wireless convenience with high-performance features, making it an ideal choice for users seeking mobility and precision. Equipped with optical movement detection technology, it provides a resolution of 1600 DPI, delivering accurate tracking whether at home or in the office. With a maximum operating distance of 10 m, users can experience the freedom of movement without being tethered to their device. The USB wireless receiver ensures a reliable connection via a 2.4 GHz interface, allowing for quick Plug-and-Play setup. This mouse is designed to enhance productivity, making tasks smoother and more efficient with its ergonomic design and responsive controls.
