

SANDISK Optimus GX PRO 8100 PCIe 5.0 NVMe SSD 1TB

Model: SDSP82100TAN-000E0

Manufacturer: SANDISK

EAN: 619659230999

Product Code: 1063926

R7,959

The SanDisk Optimus GX PRO 8100 is an internal solid state drive designed to deliver high-speed performance and reliability. With a capacity of 1 TB, this drive utilizes the PCI Express 5.0 x4 (NVMe) interface, providing internal data rates of up to 14,900 MBps for reading and 11,000 MBps for writing. The advanced nCache 4.0 technology and Sandisk BiCS TLC 3D CBA NAND enhance data transfer efficiency, making it suitable for high-demand applications such as gaming and content creation.

Built to withstand various environmental conditions, the GX PRO 8100 operates effectively between 0°C and 85°C, while its robust design allows for storage temperatures as low as -40°C. With an endurance rating of 600 TB, this drive ensures durability and longevity, backed by features like TCG Opal Encryption 2.02 for enhanced data security. The Solid State Drive is engineered for performance while consuming minimal power, making it a smart choice for both everyday use and intensive tasks.
