

SANDISK Optimus GX PRO 850X with Heatsink NVMe SSD 1TB

Model: SDSP81100TAH-000E0

Manufacturer: SANDISK

EAN: 619659232016

Product Code: 1063930

R7,697

The SanDisk Optimus GX PRO 850X is built to deliver performance with its 1 TB capacity, making it an ideal choice for demanding applications. The M.2 2280 S3-M form factor ensures compatibility with a wide range of devices, while PCI Express 4.0 x4 (NVMe) connectivity provides rapid data transfer speeds of up to 7300 MBps for read and 6300 MBps for write operations. With an endurance rating of 600 TB, users can rely on the stability and longevity of this internal hard drive even under strenuous workloads. Equipped with features such as nCache 4.0 technology and integrated heatsink, it helps maintain optimal performance without overheating, making it suitable for both casual users and professionals.
