SANDISK Optimus GX PRO 850X with Heatsink NVMe SSD 8TB

Model: SDSP81800TAH-000E0

Manufacturer: SANDISK

EAN: 619659231989

Product Code: 1063932

R49,552

The SanDisk Optimus GX PRO 850X offers high-performance storage with a capacity of 8 TB, ideal for both professionals and enthusiasts. This internal hard drive features a PCI Express 4.0 x4 (NVMe) interface that supports rapid data transfer rates, reaching up to 7200 MBps for read operations and 6600 MBps for write operations. With 3D triple-level cell (TLC) NAND flash memory and an integrated heatsink, the drive ensures reliability and efficiency even under demanding conditions.

Designed for durability, this solid-state drive boasts a mean time between failures (MTBF) of 175,000,000 hours and is equipped with TCG Opal Encryption 2.01 for security. It also features nCache 4.0 technology and is capable of achieving 1,200,000 input/output operations per second (IOPS) for both random reads and writes, making it suitable for intensive workloads. Whether for gaming, content creation, or data storage, the SanDisk Optimus GX PRO 850X delivers performance and endurance.
