

UBIQUITI UniFi Flex 2.5G Managed L2 2.5G PoE Switch

Model: USW-FLEX-2.5G-8

Manufacturer: UBIQUITI NETWORKS

EAN: 810084696057

Product Code: 1063989

R4,869

The Ubiquiti UniFi Flex 2.5G is designed to enhance networking capabilities with its performance features. It supports up to 4,000 MAC addresses and 256 VLANs, ensuring efficient network management for various environments. With a switching capacity of 60 Gbps, this switch effectively handles significant data loads. The device features 10 total ports, including 8 ports capable of 2.5GBase-T and two 10Gb Ethernet ports, providing versatile connectivity options. Designed for various mounting options, this switch operates within a temperature range of -20°C to 45°C and maintains efficient performance in humidity levels from 10% to 90% (non-condensing).
