

Yealink MB75C-EDLA

Model: 1303288

Manufacturer: YEALINK

EAN: 6938818323889

Product Code: 1064038

R92,715

The MeetingBoard 75C is an all-in-one video conferencing device designed with simplicity — streamline installation and deployment. The movable design also allows for flexibility. It takes just 15 minutes to set up, and you can position wherever you need it, get it rolling anywhere, connect with just one cable.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
