R976

Enhance the gaming experience with the Lexip X TSUME mouse pad by PIXMINDS. This size XXL mouse pad features a flexible soft micro-textured surface that improves precision and control during gameplay. Its washable design ensures easy maintenance, while the anti-slip base provides stability on any surface, allowing players to focus on performance without distractions. With a striking Lannister design inspired by Game of Thrones, this mouse pad serves as both a functional accessory and a stylish addition to any gaming setup.
