R976

Experience a new level of gaming with the Stark Game of Thrones XXL mouse pad. Designed for gamers and enthusiasts alike, this mouse pad features a flexible soft micro-textured surface that enhances precision and control during intense gaming sessions. It is made from durable neoprene and micro-textured cloth, ensuring long-lasting performance while providing comfort for your gaming setup. The anti-slip base keeps the pad securely in place on your desk, allowing for uninterrupted gameplay. It is washable, making maintenance simple and convenient for dedicated gamers who seek to keep their setup in pristine condition.
