

LG 24BK450H computer monitor 60.5 cm (23.8") 1920 x 1080 pixels Full HD LCD Black

Model: 24BK450H-B.AEU

Manufacturer: LG

EAN: 8806098068876

Product Code: 1064231

R2,107

Experience stunning visuals with the LG 24BK450H-B, a 24-inch desktop monitor designed to bring your content to life. With a native resolution of 1920 x 1080 and a pixel pitch of 0.274 mm, this monitor delivers clear and vibrant images. The anti-glare coating ensures comfortable viewing, while the 178-degree horizontal and vertical viewing angles provide excellent visibility from various positions. The monitor features Smart Energy Saving technology, keeping power consumption low without sacrificing performance.

The LG 24BK450H-B is equipped with features tailored for user comfort and convenience. With adjustable height, swivel, and tilt, achieving the perfect viewing position is effortless. The built-in Dual Smart Solution simplifies multitasking, allowing for efficient workflow. Additionally, the monitor supports multiple languages in its OSD, making it accessible to a broader audience. With a lifespan of up to 50,000 hours, this display is a reliable choice for both work and entertainment.
