

LENOVO ThinkPad X13 G7 Intel Core Ultra 5 325 13.3inch WUXGA 16GB 512GB LTE-UPG 54.7Wh W11P 3yPS Co2

Model: 21YH004KMH

Manufacturer: LENOVO

Product Code: 1064236

R45,369

The Lenovo ThinkPad X13 Gen 7 offers robust performance and portability, making it ideal for professionals on the go. Equipped with an efficient Core Ultra 5 processor and 8-core architecture, this notebook handles multitasking tasks effortlessly, ensuring efficient workflows. The 13.3-inch LED display boasts a 1920 x 1200 resolution with 100% sRGB color gamut, delivering vibrant visuals and a clear viewing experience. With features like Lenovo Clear Voice technology and Dolby Atmos support, audio quality is enhanced, ensuring clear communication during virtual meetings or media playback.

Durability and security are prioritized with MIL-STD-810H testing and advanced safety features like a fingerprint reader and ThinkShield cybersecurity package. The laptop includes RapidCharge
