

INTEL ARC Pro B70 32GB Graphic Card

Model: 33P01IB0BB

Manufacturer: INTEL

EAN: 5032037283519

Product Code: 1064410

R47,314

The Intel Arc Pro B70 graphics card delivers robust performance for a variety of demanding tasks. With a powerful clock speed of 2280 MHz and a boost clock speed reaching up to 2800 MHz, this video card is adept at handling resource-intensive applications. It supports up to 367 TOPS of AI performance, making it ideal for professionals who rely on high processing efficiency for AI workloads.

Equipped with 32 GB of GDDR6 SDRAM and a memory bandwidth of 608 GBps, the B70 offers excellent data handling capabilities. It can drive up to four monitors with a maximum external resolution of 7680 x 4320 at 120 Hz, ensuring stunning visuals for gaming or professional graphics work. Furthermore, the diverse API support through OpenVINO, DirectX 12, Vulkan, and OpenCL enhances its compatibility with various applications and workflows.
