

LEXIP X UBISOFT Assassins Creed Keyboard QWERTY Shadows

Model: UBXLXKB0002

Manufacturer: PIXMINDS

EAN: 3760352730884

Product Code: 1064420

R2,689

PIXMINDS Lexip Assassin's Creed Shadows is a compact mechanical keyboard designed for PC gamers who want responsive control and customizable lighting in a space-saving layout. The 88-key QWERTY design with red mechanical switches delivers smooth, low-resistance key presses for fast, precise input during gameplay. Wired USB connectivity and a 1.6 m cable provide a dependable connection, while RGB backlighting adds visual customization to match play style and setup.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
