R62,523

The Microsoft Surface Laptop for Business offers robust performance suitable for various professional needs. With its 8-core Core Ultra 5 processor, 12 MB of cache memory, and a max turbo speed of 4.6 GHz, this notebook handles multitasking with ease. The bright 600 cd/m² LED display features a 3:2 aspect ratio and a 120 Hz refresh rate, ensuring clear visuals for presentations and video calls. The built-in dual studio microphones with voice focus and omnisonic speakers equipped with Dolby Atmos deliver immersive audio experiences. Furthermore, the full HD webcam enables exceptional

video quality, complete with advanced features like Windows Hello and background blur for enhanced privacy and professionalism in virtual meetings.

Designed with functionality and aesthetics in mind, the anodized aluminum chassis adds durability while maintaining a sleek look. Connectivity options are extensive, including multiple USB-C and Thunderbolt 4 ports for easy data transfer and device charging. With a touch-enabled display and a responsive backlit keyboard, productivity is enhanced in any environment, whether in the office or on the go. Additionally, the embedded Trusted Platform Module (TPM 2.0) security chip and Microsoft Pluton ensure data remains secure, making it a reliable choice for business professionals.
