R87,058

The HP ZBook 8 G2i Mobile Workstation is designed to meet the demands of professionals who require power and reliability in a portable format. With a stunning LED IPS display that enhances visual clarity, it is ideal for creative tasks as well as general productivity. This workstation is equipped with a Core Ultra 7 processor, DDR5 RAM, and a fast SSD, ensuring a seamless experience for multitasking and running resource-intensive applications. Users can expect vibrant sound quality from the stereo speakers with discrete amplifiers, further enhancing the overall experience. Featuring advanced security protocols, including a fingerprint reader and a Trusted Platform Module (TPM 2.0), the HP ZBook 8 ensures that sensitive information remains secure. In addition, the inclusion of Intel AI Boost and various wireless connectivity options, such as Wi-Fi 7 and Bluetooth 6.0, supports modern work environments that rely on speed and connectivity. With thoughtful details like a spill-resistant keyboard and multi-touch ClickPad, the HP ZBook 8 is both durable and functional, making it an excellent choice for professionals on the go.
