

HP ZBook 8 G2i 16 Intel Core Ultra X9 388H 16inch 64GB 1TB W11P 3YW

Model: DK0F4ET#ABB

Manufacturer: HP INC.

Product Code: 1064521

R162,452

Experience the robust capabilities of the HP ZBook 8 G2i Mobile Workstation, engineered for professionals who demand performance. Powered by a 16-core Intel Core Ultra X9 processor, this workstation delivers speeds of up to 5.1 GHz with Intel Turbo Boost Technology, ensuring that demanding tasks are handled with efficiency. Coupled with 64 GB of LPDDR5X SDRAM, this workstation provides memory for seamless multitasking and enhances productivity in various applications. With a 1 TB SSD utilizing the PCIe 5.0 interface, users benefit from rapid data access and storage for extensive files and applications.

The high-resolution 5 megapixel webcam, equipped with AI features such as Windows Hello and an IR camera, ensures secure login and video quality for virtual meetings. The 15.6-inch LED display with IPS technology offers visuals with anti-glare properties, enhancing the viewing experience whether presenting to a group or working individually. Connectivity options are plentiful with multiple USB-C and USB ports, as well as HDMI and LAN interfaces, allowing for versatile device integration. Additionally, the workstation's dual-array microphone and stereo speakers with discrete
