

HP ZBook 8 G2a 16 AMD Ryzen AI 9 HX Pro 470 16inch 64GB 1TB W11P 3YW

Model: DH1Q8ET#ABB

Manufacturer: HP INC.

Product Code: 1064528

R89,743

The HP ZBook 8 G2a Mobile Workstation combines power and versatility, making it ideal for professionals who demand high performance. Equipped with a Ryzen AI 9 HX PRO processor and 12 cores, this workstation ensures smooth multitasking with speeds up to 5.2 GHz, while the 24 MB L3 cache enhances efficiency. The robust 1 TB SSD storage, supported by NVM Express (NVMe) technology and a PCIe 5.0 interface, allows for rapid data access and transfer, suitable for handling large files with ease.

The 15.6-inch IPS LED display features anti-glare technology for improved viewing experiences in various lighting conditions. With a resolution of 5 MP, the integrated webcam supports Windows Hello and AI camera functions, enhancing security and connectivity for virtual meetings. The HP Premium spill-resistant keyboard along with a multi-touch ClickPad allows for comfortable and reliable input, making this mobile workstation powerful and user-friendly.
