The Logitech Signature Comfort Plus Combo MK880 for Business is designed to enhance productivity and comfort for users across various platforms including PC, Mac, and mobile devices. Featuring a full-size keyboard with customizable keys, this wireless set ensures flexibility and ease of use. The adjustable height and ergonomic curved design contribute to a more comfortable typing experience, while the built-in LED battery level indicator keeps track of power. The included mouse, with precise optical tracking at up to 4000 DPI, enhances efficiency and offers real-time sensitivity adjustment. Whether working from the office or remotely, this keyboard and mouse combo caters to all needs with reliable wireless technology and compatibility with multiple operating systems.
