

MOTOROLA Razr 70 Ultra 7inch 16GB 512GB Android Pantone Orient Blue

Model: PBB20001SE

Manufacturer: LENOVO

EAN: 840493611785

Product Code: 1065113

R25,260

With an impossibly thin design, RAZR is a marvel of engineering - one you'll want to show off to the world. Thinner than your friends' smart phones, it's better looking too, with sculpted glass and diamond-cut aluminum accents.

Full-tilt boogie is just your style - and RAZR can keep up. The powerful dual-core 1.2 GHz processor lets you act as fast as you can think (finally). Capture the excitement with the 8-megapixel camera and 1080p HD video recording, for crisp, clear, cinematic quality images. Your video captures will be especially smooth, thanks to technology that helps stabilize the camera. And, see things eye-to-eye on your next incoming call with the front-facing HD video camera.
