NATEC keyboard Herring US black slim

Model: NKL-2341

Manufacturer: NATEC

EAN: 5901969449594

Product Code: 1065442

R707

The Natec HERRING keyboard is designed for users looking for a dependable and stylish typing experience. Its slim and low-profile design allows for ergonomic use, making it suitable for long hours of work or gaming. With a full-size layout and 105 keys, including multimedia functions and a numeric keypad, this keyboard provides functionality for various tasks.
Connectivity is achieved through a wired USB interface, ensuring stable communication with compatible devices such as PCs and Android devices. The adjustable height feature adds to its versatility, allowing users to customize their typing angle for increased comfort. Built with UV protection and a key lifespan of 10 million clicks, the Natec HERRING keyboard is durable and functional, making it a great addition to any workspace.
