The Natec HERRING GLOW keyboard is designed for PC and Android compatibility, offering a versatile typing experience. Its slim and low-profile structure provides comfort and efficiency, suitable for long working sessions. With a total of 105 keys, including a numeric keypad and multimedia functions, this full-size keyboard ensures a productive workflow.
The keyboard has a white backlight, enhancing visibility in lower-light environments while the adjustable height adds ergonomic benefits. Built with durable materials, it features UV protection and a lifespan of up to 10 million clicks. The 1.5 m cable ensures plenty of reach, providing reliable and consistent connectivity through USB technology.
