

NATEC Mouse Hawk 2 2400DPI Laser Black

Model: NMY-2387

Manufacturer: NATEC

EAN: 5901969450057

Product Code: 1065446

R678

The Natec Hawk 2 mouse combines functionality and comfort for a satisfactory user experience. Featuring an ergonomic design, this mouse ensures prolonged usage without strain. With precise laser movement detection technology, it delivers accuracy across various surfaces, making it suitable for both casual and professional environments.

Equipped with four buttons, including a DPI switch button, the Hawk 2 allows users to customize sensitivity on-demand, facilitating a tailored workflow. This versatile pointing device enhances productivity while maintaining a user-friendly interface, making it a solid choice for any computer setup.
