

HP EliteBook 6 G2i 14 AI Intel Core 5 320 14inch 16GB 512GB W11P 3YW

Model: DX9U9AT#ABB

Manufacturer: HP INC.

Product Code: 1065476

R41,424

The HP EliteBook 6 G2i Notebook combines efficiency with performance for a seamless computing experience. Equipped with a 14-inch widescreen display that features anti-glare technology and an 88.8% screen-to-body ratio, users can enjoy clear views in various lighting environments. With a powerful Intel Core 5 processor and up to 16 GB of LPDDR5X RAM, this notebook is designed to handle demanding tasks. The device includes a thermal sensor and HP Tamper Lock to enhance security, while the dual-array microphone with AI noise reduction ensures clear audio for calls and meetings.

Additional features, such as the precision touchpad with gesture functions and a spill-resistant keyboard, provide added convenience and durability. The connectivity options include multiple USB ports, HDMI, and a headphone/microphone combo jack, making it easy to connect to various peripherals. With compliance to multiple standards and a focus on sustainability, the HP EliteBook 6 G2i Notebook is a reliable choice for professionals seeking a versatile and secure device.
