The ROG Azoth 96 HE is a wireless analog gaming keyboard that packs pro-level performance into a sleek, compact 96% form. Equipped with hot-swappable ROG HFX V2 magnetic switches and a next-gen ROG Hall sensor, it ensures lightning-fast input detection and consistent responsiveness. Tri-mode connectivity lets you seamlessly switch between up to five devices, with polling rates of up to 8000 Hz. A vibrant OLED touchscreen and intuitive knob put system settings at your fingertips, while a six-layer dampening design ensures every keystroke feels soft, stable, and satisfying. Wrapped in a premium metal top frame and finished with signature ROG keycaps, this board isn't just built to play—it's built to flex.
