

HP EliteBook X G2a 14 AI AMD Ryzen AI 5 435 14inch 16GB 512GB W11P 3YW

Model: DT9X7AT#ABB

Manufacturer: HP INC.

Product Code: 1065536

R62,934

The HP EliteBook X G2a Notebook Next Gen AI revolutionizes productivity with its features and performance. A 14-inch widescreen display equipped with anti-glare and Low Blue Light technology enhances visual comfort, making it suitable for all-day use. The device is powered by an AMD Ryzen AI 5 processor with a 6-core design, offering efficient task management and the ability to handle demanding applications seamlessly. Complemented by LPDDR5X SDRAM with a high data transfer rate of 8533 MT/s, the notebook ensures smooth multitasking and optimized performance for both work and entertainment.

Equipped with a solid-state drive featuring NVMe technology, the HP EliteBook X provides rapid data access and improved overall system responsiveness. Multimedia capabilities are enhanced with four stereo speakers and AI noise reduction, delivering clear sound during video calls or media playback. The inclusion of an ambient light sensor, thermal sensor, and other intelligent components assures adaptive functionality and energy efficiency. Designed for security and reliability, this notebook is
