HPE Aruba Networking CX 6300M 24-port HPE Smart Rate 1/2.5/5GbE Class 6 PoE and 4-port SFP56 Switch

Model: JL660A

Manufacturer: HEWLETT PACKARD ENTERPRISE

EAN: 190017339429

Product Code: 1065713

R342,854

The HPE Aruba 6300M is designed to meet the demands of modern networking with its features and performance. It supports switched virtual interfaces (SVIs) and offers extensive IPv4 and IPv6 host table capacities, ensuring a seamless networking experience. The device includes various routing protocols such as BGP-4, OSPFv2, and VRRP, allowing for dynamic and efficient traffic management while maintaining high availability.

With a total switching capacity of 200 Gbps and support for jumbo frames, the HPE Aruba 6300M can handle significant data loads effortlessly. Its stackable design and rack-mountable form factor enable efficient use of space and easy integration into existing setups. Additionally, features like VLAN support, access control lists, and quality of service (QoS) enhance security and performance for
