R2,777

The CORSAIR CLIPPER PRO MINI is a compact keyboard designed for versatility and performance. This 60% mini keyboard is compatible with PC, Mac, and game consoles, ensuring a range of usability across different platforms. Featuring Hall Effect technology and the CORSAIR MGX Hyperdrive Core key switch type, it delivers a reliable and responsive typing experience. With per-key RGB backlighting, customizable macros, and media control buttons, users can enjoy a personalized setup to enhance their gaming and productivity sessions.

Durability is a key aspect of the CLIPPER PRO MINI, boasting an IP57 rating for waterproof and dust-resistant protection. The keyboard is made from high-quality materials such as doubleshot PBT and thermoplastic plastic, ensuring longevity with a key life span of up to 100 million clicks. The adjustable height and detachable 1.8 m cable provide added convenience, making it an ideal choice for gamers and professionals alike.
