

SYNOLOGY RS6426XS+ 16- Bay Rackstation Intel Xeon D- 1739 16GB DDR4 Non ECC 2xUSB 3.2 Gen 1 Port

Model: RS6426XS+

Manufacturer: SYNOLOGY

EAN: 4711174725816

Product Code: 1065801

R167,619

The Synology RackStation RS6426XS+ offers network storage solutions for businesses seeking reliability and performance. With its 8-core Intel Xeon D-1739 processor clocking at 3 GHz and scalable up to 3.5 GHz, this device is designed to handle demanding workloads efficiently. Equipped with 16 GB of DDR4 ECC RAM and an expandable memory capacity, it supports a maximum volume size of 1 PB, ensuring ample space for critical data management.

This NAS server features 16 hot-swap expansion bays for both 2.5" and 3.5" drives, alongside PCI Express 4.0 slots for additional connectivity. Networking capabilities are enhanced through two 10Gb Ethernet ports and multiple supported protocols including SMB, NFS, and iSCSI for seamless data
