Powerful mesh system with high-performance antennas delivers 360° WiFi coverage – built for whole-home connectivity

Dual-Band Technology

Dual-Band technology with Enhanced Backhaul helps deliver faster WiFi across your home

4K Streaming, Gaming, and More

Orbi powers 4K streaming, video calls, and gaming simultaneously, so everyone in your household can enjoy uninterrupted performance

Unleash Multi-Gig Connectivity

A 2.5 Gig internet port unlocks today's ultra-fast cable and fiber internet plans. Get powerful, reliable performance with 2.5 Gig wired connections or 2.5 Gig wired backhaul option

Easy Set Up

Simply power on Orbi satellite and set it up with the Orbi app

How many Orbi Satellites do you need?

COVERAGE AREA

Consider square footage beyond your home footprint to maximize performance and ensure coverage for outdoor areas.

HOME SHAPE

L or U-shaped homes may need additional satellites to extend WiFi around corners.

WIRED CONNECTIONS

Orbi satellites give your ultra-fast wired connections where you need them.

CONSTRUCTION MATERIALS

Brick and concrete weaken WiFi signals. Add-on satellites will strengthen WiFi coverage.
