The HP EliteBook 6 G2i Next Gen Notebook is a 14-inch professional notebook designed for mobile productivity, collaboration, and security. It delivers responsive everyday performance with a Core Ultra 5 processor, 16 GB of DDR5 memory, and a PCIe 5.0 NVMe SSD to help keep applications and files running smoothly. The WUXGA 14-inch IPS display with 100% sRGB and anti-glare coating supports clear, color-accurate viewing while the 177° hinge and 88.8% screen-to-body ratio make the screen easy to share during meetings. Built-in AI features improve audio and camera quality for clearer calls, while hardware security, tamper sensors, fingerprint and smart card readers, and secured-core PC capabilities help protect data and devices. A versatile set of ports, including Thunderbolt 4 / USB4 with Power Delivery, HDMI, and wired LAN, along with Wi?Fi 7 and Bluetooth support, provides flexible connectivity for modern workflows, and EPEAT Gold and ENERGY STAR certifications reflect a focus on sustainability and energy efficiency.
