Ideal mix of performance, function, & form

The ThinkPad P16s (16" AMD) is the perfect entry-level mobile workstation. Thin and light, it's packed with on-the-go power, performance, and security features. Thanks to AMD Ryzen™ Pro processing, it zips through any task. Boasting AMD Radeon™ graphics and advanced AMD drivers, it's also ISV-certified, so can run top software titles like AutoCAD®, Revit®, and SOLIDWORKS®.

For a complete list of ISV certifications.

Designed for your work—& you

The ThinkPad P16s mobile workstation not only handles demanding business and engineering apps, it has several features that make it easy to use, too. There's a full numeric keyboard with optional backlighting, wider-than-typical touchpad, FHD camera, and an optional fingerprint reader for fast, secure log-ins. Plus, it's shipped in recycled and sustainable packaging.

Visual clarity meets eye comfort

With a choice of 16" displays, including WQXGA (2560 x 1600) and touchscreen options, the ThinkPad P16s mobile workstation will bring your digital work to life. Enjoy true-to-life colour viewing with up to 100% sRGB and X-Rite Factory Display Calibration. Select models are also TÜV Eyesafe®-certified with full DC dimming for greater eye comfort over long hours.

Secure your data & privacy

The ThinkPad P16s comes with Lenovo ThinkShield, a suite of advanced hardware and software security solutions. It includes the discrete Trusted Platform Module (dTPM) to encrypt data and a self-healing BIOS to restore earlier system settings. There's a PrivacyGuard display option to stop others prying over your shoulder, and a handy webcam shutter to turn off the camera.

Because... life happens

We use the US Department of Defense's MIL-STD 810H standards to create a balance of reliability and durability for every ThinkPad. We test against 12 standards and 200+ quality checks to ensure they run in extreme conditions. These tests cover harsh variables like Arctic wilderness and desert dust storms, including temperature, pressure, humidity, vibration, and more.

Specifications may vary depending upon region / model.
