Onikuma MT603 Gaming Keyboard (black)

The Onikuma MT603 is a modern gaming keyboard designed with gamers in mind. Equipped with linear switches, ARGB backlighting, and hot-swap capability, it ensures high precision and comfort of use. Thanks to its quiet operation and special front keycaps, typing and gaming become more enjoyable and less tiring. The MT603 combines performance, durability, and modern design in a single device.

3 connection modes

The keyboard offers three connection methods, ensuring full flexibility. You can use wireless connectivity for fast data transfer, a low-latency 2.4 GHz mode ideal for gaming, or a wired USB-C connection that guarantees stability and instant key response. This makes the MT603 suitable for

any environment—whether you’re using a desktop PC, a laptop, or gaming on the go.

ARGB and Hot-Swap

The MT603 features ARGB backlighting that can be easily adjusted using hotkeys to change colors, brightness, and effect speed. Thanks to the hot-swap feature, you can replace switches at any time, customizing the keyboard to your preferences without the need for soldering.

Robust Construction and Quiet Operation

The keyboard is designed with durability and comfort in mind. A steel plate, noise-dampening layers, and precise linear switches ensure that the MT603 operates quietly, with each key responding smoothly. Its solid construction and ergonomic key layout make the keyboard ideal for both fast-paced gaming and everyday computer work.

Manufacturer	Onikuma
Model	MT603
Color	black
Number of keys	68
Switch type	linear
