Product Code: 1087840

R85,888

The Lenovo ThinkPad P16s Gen 5 is a powerful mobile workstation designed for performance and flexibility. With a 16-inch LED IPS display featuring WUXGA resolution, users can experience vibrant visuals and a wide viewing angle great for multitasking. Enhanced with Dolby Voice and stereo speakers, this notebook provides immersive audio quality suitable for meetings and entertainment alike.

Powered by an AMD Ryzen AI 7 PRO processor and 32 GB of LPDDR5X RAM, it delivers impressive computing performance for demanding applications. The dual-array microphone and 5-megapixel IR camera ensure exceptional video conferencing capabilities. Built with features like a spill-resistant keyboard and military-grade durability (MIL-STD-810H tested), it is ideal for professionals who work
