R38,052

The Lenovo ThinkPad E14 Gen 8 is designed to enhance productivity and deliver powerful performance in a sleek, durable package. Equipped with a 14-inch LED IPS display, this notebook offers a native resolution of 1920 x 1200, providing clarity and a wide viewing angle for all tasks. The dual-array microphones feature noise-canceling technology, allowing for clear audio during calls and meetings. With a robust Intel Core Ultra 5 processor and 16 GB of DDR5 RAM, multitasking is seamless, and applications run smoothly, making it ideal for business and personal use alike. Security is a priority with features like the fingerprint reader, ThinkShield cybersecurity package, and a discrete Trusted Platform Module (TPM) 2.0 chip. The laptop's aluminum casing gives it a premium feel while ensuring durability. Connectivity is optimized with Thunderbolt 4 and multiple USB-C ports, facilitating quick data transfer and charging. Additionally, its long battery life with RapidCharge
