

LENOVO SE10

Intel Atom

x6425RE 8GB

256GB UMA

W11IOTE LTSC

2024 3y OS

Model: 12NH001PMH

Manufacturer: LENOVO

Product Code: 1087872

R19,629

This next-level AI-edge platform is a powerful addition to an organization's IoT Ecosystem and can modernize its surveillance system. It's designed to empower enterprises and transform your normal IP camera into a computervision (CV)-enabled surveillance system. There are plenty of ports and wireless connectivity options to connect everything from sensors, IoT endpoints, and legacy devices to cloud-based servers.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
