

LENOVO SE30n G2 Intel Core 5 120U 16GB 512GB UMA W11IOTE 90W 3Y Onsite

Model: 13LV0006MH

Manufacturer: LENOVO

Product Code: 1087873

R34,540

The Lenovo ThinkEdge SE30n Gen 2 is a versatile personal computer designed to efficiently handle a variety of tasks. Featuring a compact ultra small form factor, it easily fits into tight spaces while still providing powerful performance thanks to its 10-core Intel Core 5 processor. With a maximum turbo speed of 5 GHz and 16 GB of DDR5 RAM, it can manage demanding applications and multitask with ease. The 512 GB SSD offers ample storage and fast data access, enhancing overall productivity. Networking capabilities of the ThinkEdge SE30n Gen 2 include support for both Gigabit Ethernet and 2.5 Gigabit Ethernet, along with Intel Wi-Fi 6E technology, ensuring reliable and high-speed connectivity. The device's expansive video output options, supporting up to 4 monitors, make it an excellent choice for professional setups requiring multiple displays. Designed with embedded security features, including a Discrete Trusted Platform Module (TPM 2.0) security chip, this mini PC provides robust protection for sensitive data and workflows.
