LENOVO SE50a-15 G1 Intel Core 5 120UL 16GB 512GB UMA W11IOTE LTSC 2024 3Y Onsite

Model: 13N20005MH

Manufacturer: LENOVO

Product Code: 1087875

R46,740

Lenovo ThinkEdge SE50a-15 Gen 1 13N2 is an all-in-one computer designed for interactive edge applications that require compact, touch-first operation and reliable connectivity. The 15.6-inch IPS Full HD display with 10-point capacitive multi-touch and an anti-fingerprint surface delivers clear visuals and responsive touch interaction for kiosks, point-of-service stations, and collaborative workspaces. Performance is driven by a 10-core Intel Core 5 processor, 16 GB of DDR5 memory, and a 512 GB PCIe 4.0 NVMe SSD to support smooth multitasking and fast local storage access. Networking options include dual 2.5 Gigabit Ethernet ports, Intel Wi?Fi 6E with Bluetooth 5.3, and multiple USB and USB-C display/charging ports to integrate with wired and wireless environments. Built-in speakers, TPM 2.0 security, and enterprise-oriented power and compliance features help simplify deployment and protect data at the edge.
