LENOVO V105q AMD Ryzen 3 30 8GB 256GB UMA W11P 1Y Onsite

Model: 13Q20001MH

Manufacturer: LENOVO

Product Code: 1087878

R16,647

The Lenovo V105q 13Q2 is designed to meet diverse computing needs with its ultra small form factor, combining performance and compactness. Powered by a Ryzen 3 quad-core processor, this desktop offers a base clock speed of 2.4 GHz, reaching up to 4.1 GHz with turbo boost, ensuring efficient multitasking capabilities. It features 8 GB of LPDDR5 SDRAM memory with dual-channel architecture and a 256 GB SSD, providing fast data access and reliable storage solutions. Equipped with integrated Realtek audio and high-definition audio support, this unit enhances the overall multimedia experience. The inclusion of multiple connectivity options such as USB 3.2 Gen 2, HDMI, and DisplayPort ensures versatile peripheral support. With EPEAT Gold certification, ENERGY STAR compliance, and security features like a chassis intrusion switch and TPM 2.0 security chip, the Lenovo V105q offers a reliable and environmentally responsible solution for users seeking efficiency and performance in a compact desktop.
