

LENOVO P3 TWR G2 750W Intel Core Ultra 9 285K 32GB 1TB RTX PRO 4000 BW 24GB W11P 3 YR Onsite

Model: 30HT00DAMH

Manufacturer: LENOVO

Product Code: 1087881

R106,193

The Lenovo ThinkStation P3 Gen 2 is designed for professionals who require a powerful workstation. Equipped with a 24-core Intel Core Ultra 9 processor, this tower workstation delivers robust performance for demanding applications. Featuring 64 GB of DDR5 SDRAM with dual-channel memory architecture, the system ensures smooth multitasking and efficient data processing. The installed 1 TB NVMe SSD provides quick access to data, bolstered by TCG Opal encryption for enhanced security. With a diverse range of connectivity options, including USB-A, USB-C, HDMI, and DisplayPort, users can easily connect to peripherals and displays, making this workstation a versatile choice for any professional environment. The Lenovo ThinkStation P3 Gen 2 meets stringent compliance standards such as FIPS 140-2 and MIL-STD 810H, ensuring reliability and security for sensitive tasks. The integrated Realtek ALC623-CG audio codec delivers high definition audio output
